

WINCHESTER MUNICIPAL UTILITIES
APPLICATION FOR SEPTAGE TRUCK DISCHARGE PERMIT

In accordance with Winchester Municipal Utilities Policy number 205.2, all septage haulers are required to complete one application per truck they wish to be permitted to discharge at the Strodes Creek Wastewater Treatment Plant. Failure to accurately complete all sections of this application may result in refusal to issue a permit to the septage hauler.

SECTION 1: SEPTAGE HAULER INFORMATION

Business Name: _____

DBA (does business as) name: _____

Primary Contact: _____

Office Phone #: _____ Mobile #: _____

Mailing Address: _____

Physical Business Address, if different: _____

Email address: _____

Health Department Truck Number: _____

Truck's Tank Capacity, in Gallons: _____

Do you have a septic haulers permit for the truck?

Yes No If you have such a permit please provide a copy of same.

Do you have a septic disposal permit issued by another POTW?

Yes No If so, please provide a copy of such permit.

Check the box next to the type of waste you are applying to transport. These are the only types of waste this permit will allow the hauler to dispose of at Winchester Municipal Utilities' facilities. WMU does not accept any: industrial waste, any out of county commercial waste, and any out of county grease trap waste.

Septic Tank Waste Grease Trap Waste Commercial Waste

Has your company or any of its owners or employees ever been convicted of a misdemeanor or felony for reason or reasons that directly relate to the duties and responsibilities of operating a septage hauler business? If your answer is "yes" please provide details of such action and attach all pertinent documentation to this application.

Yes No If yes, explain below (attach additional sheets if necessary):

Has your company or any of its owners or employees ever had a septage hauler permit or a septage disposal permit revoked or a permit application rejected? If your answer is "yes" please provide details of such action and attach all pertinent documentation to this application.

Yes No If yes, explain below (attach additional sheets if necessary):

SECTION 2: APPLICATION FEE

The permit fee for haulers whose business address is inside of Clark County is \$25.00. The permit fee for haulers whose business address is outside of Clark County is \$250.00. The fee is due with the application and is nonrefundable.

Please check the box to indicate you have included the fee with the application.

SECTION 3: INSURANCE REQUIREMENTS

Waste haulers must carry liability insurance, and a copy of their certificate of insurance must be submitted with this application. Such insurance shall afford bodily injury limits or liability for each person injured of \$1,000,000 for each occurrence.

Please check the box to indicate you have included proof of insurance with the application.

SECTION 4: APPLICATION DUE DATE

In accordance with the requirements of Article 5, Section 14-176, "Permit Duration" of Ordinance 29-88, an application to renew this application must be filed a minimum of 90 days prior to the expiration date of the current permit. The permittee shall not discharge after the date of expiration. Septic hauler permits expire annually on June 30th.

SECTION 5: CERTIFICATION STATEMENT AND SIGNATURE

This application must be signed by an authorized representative for the business, after adequate completion of this form and review by the person signing below, who assumes all responsibilities.

"I have viewed and accepted all information submitted in this application to be true, accurate and complete. I consent to accept and to abide by all applicable ordinances, rules and regulations of the City of Winchester, Kentucky. I understand that falsification of any information submitted shall be cause for rejection of this application or termination of the septage hauler permit. I acknowledge that no hazardous waste or other incompatible wastes are to be transported or mixed with liquid waste hauled under this permit, and agree to provide accurate and complete manifests for all waste hauled to the WMU POTW. Any person violating the applicable ordinance or permit conditions may be subject to: fines, invoices for cost of repairs and cleanup due to illicit discharges, notice of violations, legal actions, and revocation of the permit. I understand that the permit is valid for one year and must be renewed on an annual basis to maintain a valid permit."
